

# BEONE™

UNIQUE BATHING EXPERIENCE

Part of BainUltra's therapeutic baths, BeOne's singular design is not only pleasing to the eye, it is also a reminder of what is important... Taking care of yourself.

## FIRST OF IT'S KIND BEONE™

The first of its kind, a Japanese style bathtub; BeOne™ provides an extraordinarily unique bathing experience.

The air jets coupled with its circular design create a powerful massage that is unlike any other offered by traditional air systems.

Let yourself be transported to a garden of self-healing and natural rejuvenation. Listen to the water's powerful movement as it massages you and feel the heat from the seating area all the way up to your upper back .

BainUltra's unique BeOne therapeutic bath is offered in the THERMOMASSEUR® category (with Geysair® hot air system) and in the TUB category, to which you can add Illuzio chromatherapy and WarmTouchShell® ThermoTherapy® technologies.

BeOne with yourself.

Components\* Acrylic\*

The specifications shown represent the outer edge dimensions and the inside bathing capacity dimensions measured at air jets' height. The manufacturer accepts a 1/4" [0.64 cm] variance. There are variations on each bath and specifications are subject to change as we improve upon our product as required. The dimensions needed for site preparation and structure building will differ. BainUltra assumes no responsibility for preparatory work done prior to the product being on the site. \*Some restrictions may apply.
